### YOU NEED TO KNOW

- This major has special admission requirements. Everybody starts as a pre-major, and certain requirements must be met in order to be admitted. Consult the undergraduate catalog for more details.
- 'C' is the minimum acceptable grade for all pre-admission and pedagogy courses in this major except CMST 101 and ENG 102 or their equivalents, which have a minimum acceptable grade of 'B', and PSY 100, which has no minimum passing grade.
- Some courses in this major may also be used toward Foundation of Knowledge (general education) requirements.
- The Admission Semester, Professional Semester I, and Professional Semester II are "blocks". The classes in these groups must be taken together in the same semester. You may take other classes with these blocks if appropriate.
- All required courses must be completed with minimum grades and GPAs met before entering the Clinical Experience, and no other classes may be taken with it.
- Elective credit hours be necessary in order to earn the minimum of 120 credit hours required for graduation.
